Hope for Families and Children Foundation

Mission Statement

Hope for Families and Children Foundation's mission is to function as the supporting organization and fund-raising arm of the Puerto Rican Family Institute, a not-for-profit, multi-program health and human services organization which promotes the self-sufficiency and well-being of families and children in need of all races and ethnic backgrounds. The Foundation's funds are dedicated to support the Institute's service programs for diverse populations and to insure the survival of the Puerto Rican Family Institute for generations to come.

The Hope for Families and Children Foundation GOLF CLASSIC is to be held once again at the prestigious Engineers Country Club. We have planned a fun day of championship golf, superb food, exciting contests, a quality players gift, multiple awards and prizes, high-end raffles, and silent and live auction. More information and invitation to follow. We are grateful for your support and participation.
